

Earth Friendly Products

The following products promote "green cleaning" by using readily biodegradable, non-petroleum based ingredients to attack soils and odors with minimal impact on the environment.

Easy-to-use foam cleaner and conditioner removes grease and food residue. Restores brilliance to polished and sealed marble, granite, limestone and travertine.

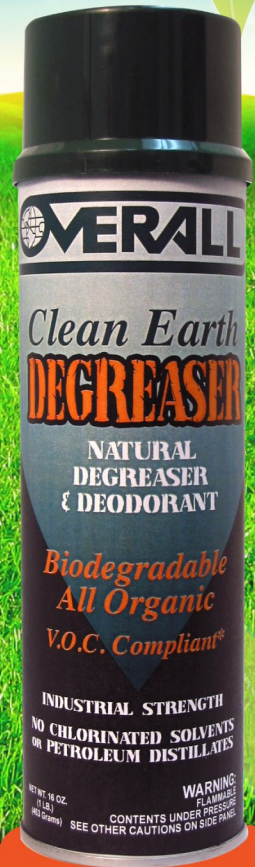

Powerful spray penetrates deep into coil fins to eliminate dirt build-up. No-rinse formula leaves a clean, fresh fragrance.

Deep-cleans naturally to dissolve dirt and grime. Penetrates deep into padding and carpet backing to deodorize and eliminate odors.

One product that cleans and deodorizes all bathroom surfaces. Safe on porcelain, chrome, tile, stainless steel, mirrors and glass.

A high-powered, all natural, biodegradable, citrus degreaser. Flush action solvent quickly cuts through grease, oil, tar and other soils. Controls odors as it dissolves grease and grime. Currently not available in CA.
